Adhd Nation Alan Schwarz

“ADHD Nation should be required reading ... Schwarz is sounding an alarm for a fire that looks nowhere near abating.” The New York Times Book Review (Read) “The most important book of the year for anyone who cares about children.”

ADHD Nation | Alan Schwarz Home

In ADHD Nation, Alan Schwarz examines the roots and the rise of this cultural and medical phenomenon: The father of ADHD, Dr. Keith Conners, spends fifty years advocating drugs like Ritalin before realizing his role in what he now calls “a national disaster of dangerous proportions”; a troubled young girl and a studious teenage boy get entangled in the growing ADHD machine and take medications that backfire horribly; and big Pharma

Alan Schwarz According to the American Psychiatric Association, about 5 percent of American children suffer from Attention Deficit Hyperactivity Disorder (ADHD), yet the diagnosis is given to some...

Big Pharma's Manufactured Epidemic: The Misdiagnosis of ADHD

I found Alan Schwarz's reporting on America's monetization of ADHD to be illuminating, fair, and fascinating. I was given ADHD meds as a kid. I loved them because they worked like speed for me. While I was always a hyperactive and annoying kid, Adderall simply made me work nonstop and get dangerously paranoid.
