There's another trend that can't be ignored — the Christian faith is growing overseas, such as in China and in parts of Africa and South America. And they will send a new "generation of missionaries to come to the United States and preach," Heikkinen said. Those overseas churches are earnestly praying for faith in America, he highlighted.

Evangelizing in America when ... - The Christian Post

Unless Americans turn back to the God of the Bible, Goehle envisions a nation that is heading for disaster- a post-Christian apocalypse. Nearly twenty years in the making, America's Post-Christian Apocalypse is a must-read for those who want a genuine understanding of how our country lost its way, and how it can recover its foundations before it's too late.

Post-Christian America -- Can a Polarized America Survive ...

Popular visions of the apocalypse often deal with world-altering, cataclysmic global events. But an apocalypse can also happen to a group of people. The arrival of Europeans in North America was an apocalypse for Native Americans, Bazzana said, as was the experience of slavery for African Americans.
