Architectural Graphic Standards: Student Edition: Ramsey ...

Architectural Graphic Standards Book Summary : Architectural students have for generations learned the essence of building design through the pages of "Graphic Standards": the drawings, charts, detailed illustrations, originally developed by architects George Ramsey and Harold Sleeper, that represent building components and systems, including everything from door frames to roof designs, to air ducts to outdoor sports facilities. Beginning ten years ago, Wiley began offering a student edition ...

(As a side note, many months ago
before I actually passed PPD and PDD, I
had speculated -- based on what I was

Online Library Architectural Graphic Standards Ramsey Sleeper

reading -- that a really great PPD/PDD approach might be to implement the "2+2+2 Approach". I figured this meant 2 months of study for both PPD and PDD at once, then take the exams 2 weeks apart, and then "recover with beverages" for 2 days.
