Welcome to the Curriculum Mapping Resources Page! There is infinitely more to teach than there is time to teach it. However, by prioritizing content at each grade level and ensuring teachers are successfully navigating their instruction using the same "map," schools can maximize student learning and ensure students do not experience fragmented, incoherent or repetitive learning experiences.

The Year-at-a-Glance (YAG) is a document that informs parents and students of the recommended pacing and content standards for selected courses. It includes the topics to be taught week by week each quarter and a list of instructional resources. The YAG is only a recommended pacing guide; school leaders and teachers make the final decision regarding the pacing of any program of study.
