Amazon.com: Death Benefit (A Medical Thriller ...

Robin Cook teaches us this sad lesson in his latest, *Death Benefit*. This is a typical Cook "thriller," long on medical jargon and improbable combinations of acts and science, total illogic—how many fourth year medical students criticize attendings and accuse them of malpractice and survive to tell the story and how do you leave out of the plot for almost half the novel mention of the guys who planned the murders that are suppo

Amazon.com: Customer reviews: Death Benefit

Death Benefit doesn't fall into ANY of those categories. The main character is so distracting, and the second character has a high school crush on her, and ugh! On and on the story goes of him chasing her, and her rebuffing him, ad nauseum. I wouldn't recommend this book to Mr Cook's fans..... they will be disappointed.
