## **Graham Gardner - Wikipedia**

INVENTING ELLIOT is a smart psychological YA thriller set in a private high school in which Elliot, a scarred victim of bullying at his previous schools, is given the chance to start over in a place where nobody knows him, and then finds that his careful efforts at creating himself a new image lead to his being adopted into the heart of the students' secret power structure where he is offered ...

## **Inventing Elliot: Gardner, Graham: 9780435130725: Books ...**

Graham Gardner has said that he could not have written Inventing Elliot in the way that he did without the lead set by The Chocolate War. The two books are similar in that they both feature a school ruled by a secret society, but also very different because of the contrasting actions of their respective protagonists.
