Take Control of Upgrading to Mountain Lion 1, Kissell, Joe

...

Published by TidBITS Electronic Publishing, the series is called Take Control. The premiere title in the series is Take Control of Upgrading to Panther , written by Joe Kissell. While Mac OS X early adopters have upgraded from early versions of OS X, many current OS X users have never had the (dubious) pleasure of doing a major upgrade to their Mac's operating system.
