Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The LEGO Build-It Book - Home | Facebook

You may recall that in August we reviewed The LEGO Build-it Book: Amazing Vehicles by Nathanael Kuipers and Mattia Zamboni. It provides instructions to build ten vehicles using just the parts in 5867 Super Speedster and we thought it was great.. Now, No Starch Press has published a second book entitled, unsurprisingly, The LEGO Build-it Book: More Amazing Vehicles.
