Myth - Myth - Myth and the arts: Myths in ancient civilizations are known only by virtue of the fact that they became part of a written tradition. In the case of Greece, virtually all myths are "literature" in the form in which they have survived, the oldest source being the works ascribed to the Greek poets Homer and Hesiod (usually dated, in written form, to the 8th century bce).

Ritual and art are essentially connected, and art plays a similar function today to that which ritual played in the past." Also it might mean that the best way to understand the nature of art is to understand its connections to ritual. These, by implication, are more important than art's connection to, say, self-expression.

Aesthetics Today: What is the relation between ritual and art?

Myth and ritual are two central components of religious practice. Although myth and ritual are commonly united as parts of religion, the exact relationship between them has been a matter of controversy among scholars. One of the approaches to this problem is "the myth and ritual, or myth-ritualist, theory," held notably by the so-called Cambridge Ritualists, which holds that "myth does not stand by itself but is tied to ritual." This theory is still disputed; many scholars now believe that myth

Modern scholars are inclined to turn away from the question of temporal priority and to concentrate instead on the diversity of the relationship between myth and ritual. While it is clear that some myths are linked to rituals, so that it makes sense to say that the myth is expressing in the language of narrative that which the ritual expresses through the symbolism of action, in the case of other myths no such ritual exists.
