The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

Bailey Otolaryngology Fifth Edition

In its seven years on television, Buffy the Vampire Slayer earned critical acclaim and a massive cult following among teen viewers. One of the most distinguishing features of the show is the innovative way its writers play with language--fabricating new words, morphing existing ones, and throwing usage on its head. The result has been a strikingly resonant lexicon that reflects the power of ...

Insomnia disorder (ID) and obstructive sleep apnea (OSA) with respiratory arousal threshold (ArTH) phenotypes often coexist in patients, presenting similar symptoms. However, the typical diagnosis examinations (in-laboratory polysomnography (lab-PSG) and other alternatives methods may therefore have limited differentiation capacities. Hence, this study established novel models to assist in the ...
