Dragon Flight is the second book in Jessica Day George's Dragon series. I loved the first book Dragon Slippers and was excited to read the sequel. I think I liked Dragon Slippers just a little better than the sequel.

Dragon Flight is the second book in the Dragon Slippers trilogy. I loved this one as much as the first. Creel and Shardas are great! There's so much action in this story and Creel is her usual fierce and fabulous self. Her friend Martha also shows her brave side and Jessica Day George introduces a lot of cool new dragons.
