A bit surprising is that Native American, Celtic, Indian stringed-instruments, drums, and flutes are very effective at relaxing the mind even when played moderately loud. Sounds of rain, thunder, and nature sounds may also be relaxing particularly when mixed with other music, such as light jazz, classical (the "largo" movement), and easy ...

Billionaires' Row is a set of ultra-luxury residential skyscrapers, constructed or in development, that are arrayed roughly along the southern end of Central Park in Manhattan, New York City. Several of these buildings are in the supertall category, taller than 1,000 feet (300 m), and are among the tallest buildings in the world. Since most of these pencil towers are built or proposed on 57th ...

Free will in theology is an important part of the debate on free will in general. Religions vary greatly in their response to the standard argument against free will and thus might appeal to any number of responses to the paradox of free will, the claim that omniscience and free will are incompatible.
