Love Money Definition - Investopedia

Love and money are two extremely complex subjects in their own right. When they're mixed haphazardly, it could create a recipe for disaster. However, a compatible partner can actually move you closer to your goals of financial independence and freedom.

Love and Money - The Balance - Make Money Personal

Money is the currency of human resources. So, the heart that loves money is a heart that pins its hopes, and pursues its pleasures, and puts its trust in what human resources can offer. So, the love of money is virtually the same as faith in money — belief (trust, confidence, assurance) that money will

meet your needs and make you happy.

What It Means to Love Money | Desiring God

Should I do what I love? For some, the answer is easy: yes. Software engineering is not only their passion but will most likely land them a high-paying job. For others, their passion isn't as immediately likely to be profitable: acting, music or teaching. And furthermore, there are financial responsibilities that make following one's true passion difficult — starting a family, paying off ...
