Resource Manual for the 2018 Principles of Accreditation: Foundations for Quality Enhancement (Added March 2018) This Manual is a companion piece to the 2018 Principles of Accreditation, providing guidance to applicant, candidate, and member institutions as well as to evaluation committees of the Commission.

Institutional Resources - SACSCOC

"Observing and counting fish used to be manual tasks, where we had to comb through hours of film footage to find the information we were looking for. Just measuring the length of a cod requires a picture where the front and back parts of the fish are clearly visible. The work is very time consuming.
