Happiness And The Christian Moral

Happiness and the Christian Moral Life suggests that the heart of Christian ethics are not elements such as laws and rules and principles and obligations, but is an ongoing initiation into a way of life capable of making a person good and therefore, happy. These elements are important, but they should never overshadow what ought to be the principal concern of Christian ethics: how to form us into people who love the good and seek it in everything we do.

Paul Wadell argues that happiness lies in the cultivation of the moral life. His is an exercise in virtue ethics that integrates classic, Christian and modern democratic virtues into a pattern and urges readers to develop the skills that make for a successful and rewarding life.

Happiness and the Christian Moral Life: An Introduction to ...

When happiness is understood in terms of lasting joy, instead of temporary pleasure, the way in which Christian morality can be said to be compatible with happiness becomes clear. Though a Christian must, from time to time, forgo certain temporary pleasures, the Christian moral life instills a deep and irrevocable joy.

The Christian Integration of Morality, Freedom, and Happiness

Blessedness or happiness consists of being poor, being meek, mourning, being persecuted, and the like. That is the path to happiness. It is about denial of self, as Jesus spoke about so often. It certainly is not about being fixated on self, seeking your best life now, or aiming for material wealth and possessions.

Description: Happiness and the Christian moral life

Inspired by Aristotle, Augustine, and Aquinas, Happiness and the Christian Moral Life argues that the central question of ethics is the meaning and nature of happiness. In the Christian life, happiness is inseparable from goodness, particularly from a way of life that helps us grow together in the goodness of God. This book attempts to show what such a life might look like and how it might change our understanding of Christian ethics. This Book was ranked at 20 by Google Books for keyword ...

Happiness and the Christian Moral Life : An Introduction ...

Christian Hedonism aims to replace a Kantian morality with a biblical one. Immanuel Kant, the German philosopher who died in 1804, was the most powerful exponent of the notion that the moral value of an act decreases as we aim to derive any benefit from it. Acts are good if the doer is "disinterested." We should do the good because it is good.
