After all, until we REALLY know, this little gem is magnificent in delivering what you can only call FABULOUS! An organ for pleasure! There you go girls, we have something boy's don't and it is a ...

Why do women have orgasms? | Live Science

Without goals, we will pointlessly waste our time, energy, and efforts. Listen to anybody who is the top of their field and they'll tell you something like this, "Yes talent is important, but often your success depends much more on what you decide to do with that talent." And what you will do with your talent largely depends on your focus.

8 Reasons Why Goal Setting Is Important to a Fulfilling ...

In fact, behavior modification may interfere with natural instincts and do more harm than good. Do they like grass? Despite the numerous well thought-out explanations for why dogs eat grass, we cannot overlook the simplest explanation of all, that just like it. Dogs may simply enjoy the texture and taste of grass in their mouths.
