She likes reading books, engaging herself in outdoor activities and is still looking for a challenging ambition to chase.

Innovative Ideas by School Students That Are Mind Blowing

Innovation Clubs in schools would help to engage students in innovative and creative activities apart from providing opportunities for Hands-on activities. This would be developed as part of the effort of the SPICES scheme to nurture a culture of Creativity and Innovation amongst school children from an early age.

Innovation Club

That's why in the best ones, the early years of primary education are devoted to teaching kids to read using scientifically proven methods to ensure that all kids are reading at grade level. But in many schools, in all kinds of neighborhoods, there is a shockingly large chunk of kids — about one in three — who don't master the skills they need to learn to read in a sophisticated way.
