This misquote originates from a speech Churchill gave at Harrow School on October 29, 1941. While reading the full text of his speech, I discovered a much richer trove of wisdom that can be borrowed and applied to our long and tiring fight with Migraine. "You cannot tell from appearances how things will go.

Never, never, never give up | Migraine.com

Years ago, Joanna Kempner and I, in collaboration with many others, wrote a paper entitled, Naming Migraine and Those Who Have It. Joanna wrote the award-winning book Not Tonight: Migraine and the Politics of Gender and Health crystalizing, for me, the need to take on a new approach. I slowly came to a number of conclusions regarding the language that describes migraine.

Fighting for Migraine - With Words | Migraine.com

Migraines are believed to be caused by a chemical imbalance occurring in the brain. A drop in serotonin triggers the release of neuropeptides, which in turn causes the nerves and blood vessels in the brain to become over excited and reactive. ... Chronic Migraine Symptoms: How to Win the Fight;
