What Is the Mind? | Psychology Today

For attaining massive success, you need to kick out the fear of failure from your mind. Although you might not get down over unsuccessful stints, the subconscious mind kicks in when you're down. Being emotionally detached to your tasks and work is one great way to achieve massive success in whatever you do.

How To Hack your Subconscious Mind for Massive Success

Your conscious mind takes in all the information about this – it's 150 yards to the hole, there is a bunker on the left, a bunker on the right, the wind is blowing about 20 mph left to right - you choose a target, go through your pre-shot routine and stand over the ball to take your swing. All of this is the job of the conscious mind.

Role of the Conscious and Subconscious Minds
