5dr medium/large van (2.2, 3.0 diesel) History. The Peugeot Boxer has more of a track record than many realise. Its predecessor certainly made the numbers in Europe, with over half a million examples rolling out of the Val di Sangro factory in Italy between 1994 and 2006. This one then, launched here in 2007, has some big tyre tracks to fill.

Ten Second Review. Peugeot's Boxer is a large LCV that has forensically focused on the things that make a real difference to fleet operators in order to give its heavyweight the best chance of a unanimous decision. Let's check out this revised model with its more frugal range of 2.0-litre BlueHDI engines.
