In 1984, the sportier XR2 made its way to the gen two Fiesta, paired with a 5-speed manual and upgraded brakes and suspension. By 1987, the Fiesta enjoyed its best sales year ever in Britain, with over 150,000 units having sold. At the end of its second-generation, the Fiesta had become a name that everyone knew.

Manuals Fiesta

Workshop Manual:

2002 to 2008-1 perfect.

Reviewed in the United Kingdom on July 6, 2015. Verified

Purchase. The manual arrived in around 2 days in perfect condition. This is a soft back edition of this manual, I would have preferred a hard back, perhaps I did not read the details correctly before I ordered it.
